Pipe Organ Repair Update

We have hit a small obstacle in the process of repairing our pipe organ. Though we have raised enough funding to have the organ repaired by the company whose bid we had initially selected, we have since learned that that company is having trouble and may be in danger of going out of business in the near future. Because of the risk that this presents, we need to raise an additional amount of \$5,190 so that we can pursue a second company's bid. Please continue to make contributions to this fund.

Attention all Veterans & Active Duty Members of our Country's Armed Forces at Winder FUMC!

On Sunday, November 5th, the Chancel Choir will recognize the military veterans in our church family by presenting an arrangement of the "theme songs" of all branches of the United States Armed Forces.
 We would like to ask that, if you are a veteran or an active duty member of our armed forces, for you to please stand when your song is being sung so we can thank you for all that you have done for our nation by serving.
 If you still have your uniform, or part of it, please wear it to church that day.
